## DEMS PRESS FOR STEVENSON-SOUTHERN TICKET

### SIGNALS FROM WHITE HOUSE SOOTHE PARTY

By JACK BELL  
Convention Hall, Chicago, (P)—The Democratic Convention chieftain today under White House signal and party veterans steered toward a Stevenson-Southern ticket which could seal a North-South union for the November election.

Intervention by President Truman's staff had calmed the on-again North-South battle over a loyalty pledge.

There were signs, too, that Truman might give his open blessing to Gov. Adlai Stevenson for the presidential nomination before the convention gets around tonight to alling the roll of states for nominees.

Secretary of Interior Oscar Chapman, who has been a Truman emissary at the convention, had a breakfast conference with the Illinois governor.

They met in the apartment of Edward McDougal, a friend of the governor.

It was learned that Chapman proposed the meeting.

As to the convention machinery, it was clear the party wheelhorses were back in the driver's seat and out to name the ticket.

### COMMUTATIONS ARE APPROVED BY FINE

Harrisburg (P)—Gov. John S. Fine has signed a number of commutations of sentence recommended by the State Pardons Board. The cases had been heard by the board at its June session.

Those granted included: Jack Edward Belts, Beaver County, robbery; Robert W. Wink, Carbon County, statutory rape; William Thompson, Centre County, breaking and entering; Clement T. Flis, Clinton County, burglary; and Lain Leroy Watson, Indiana County, burglary.

### GREENSBURG PLANT MAY SIGN CONTRACT

Greensburg, Pa. (P)—The CIO United Steelworkers is considering a new contract offer to end a strike of 2,100 employees of the Robertshaw-Fulton Controls Co. at its plants in Youngwood and Scottsdale.

Terms of the offer have not been revealed. However, a company spokesman says they are the most liberal made since the plants were struck April 10. Company and union officials met in a day-long meeting yesterday at the instigation of James Moran, a federal mediator. A further session is scheduled tomorrow.

### RALPH PAPALIA OFF ON FLIGHT TO ROME

Ralph Papalia, 18 Eddy street, left New York City via the American Airlines Tuesday morning for Rome, Italy, where he plans on spending three weeks visiting relatives and seeking an audience with the Pope.

Thirty-seven-year-old Papalia is the son of Mr. and Mrs. Frank Papalia, who also reside at the Eddy street home, and is employed in the office of the Sylvania Electric Co.

### Largest Plant For Making Shells Shut Down By The Strike

Washington (P)—A shutdown of the Army's largest shell-making factory emphasized today the developing crisis in defense production resulting from the steel strike, now in its eighth week.

Secretary of the Army Frank Pace announced yesterday that a shortage of steel has forced the closing of the Chevrolet plant in St. Louis, which makes about half the Army's 105-millimeter artillery shell casings.

Pace said the shutdown will "seriously affect the production of finished shells by next month" when the impact begins to reach the shell loading plants.

"Of necessity," he said, "it will continue to affect the production of finished shells for several months thereafter."

With no end to the 52-day old dispute in sight, Presidential Assistant John R. Steelman continued telephone conversations with union and industry spokesmen. He hoped to find some basis for calling for new negotiations.

## Dixie Division Band to Play in Warren August 22

### Issue Call for 17 Recruits in August

Melvin G. Keller, selective service chairman for Warren county, announced today that his board has received a call to send 17 Warren county youths to Harrisburg on August 19 for actual induction into the Armed Forces.

The group will leave Warren by Pullman at 9:05 p. m. Tuesday, August 19, and will be inducted next day. Mr. Keller said today that the list is now being compiled.

It also was stated that no calls for a quota to take pre-induction physical examinations has been received for August.

### ALLIES DRIVE AGAINST HILL HELD BY REDS

Seoul, Korea (P)—United Nations planes and artillery today seared the crest of Old Baldy where a Chinese infantry company overlooked the Allied main line of defense.

Battle weary U. N. foot soldiers were dug in on two slight extensions on the southeast slope of the Western Front hill west of Chorwon. They were about 100 yards below the crest.

The crest of the battle-scarred hill has changed hands several times since the Reds opened their drive for the height last Thursday night. U. N. troops were pushed off again yesterday.

Front line officers estimated the Reds have suffered more than 1,200 casualties in the see-saw fighting. Allied losses were not announced.

Elsewhere on the 155-mile battle line there were only small patrol skirmishes.

### Eisenhower Discusses Strategy of Campaign

Denver (P)—Gen. Dwight D. Eisenhower arranged to talk campaign strategy today with three key supporters at his vacation ranch in the Rocky Mountains.

They are Sen. James H. Duff of Pennsylvania; Ralph Cake, GOP national committeeman from Oregon; and Gov. Dan Thornton of Colorado.

Palmer Hoyt, editor and publisher of the Denver Post, was accompanying the trio to the cattle ranch near Fraser, Colo., where Eisenhower has been vacationing since last Thursday. The party planned to drive from Denver, 72 miles east of Fraser, arriving in time for breakfast.

The general will confer at the ranch Sunday with his vice presidential running mate, Sen. Richard M. Nixon of California.

Later next week Eisenhower may meet, probably in Denver, with Gov. Sherman Adams of New Hampshire, who agreed yesterday to serve as the general's political chief of staff. Adams also will be liaison man between Eisenhower and the Republican National Committee headquarters.

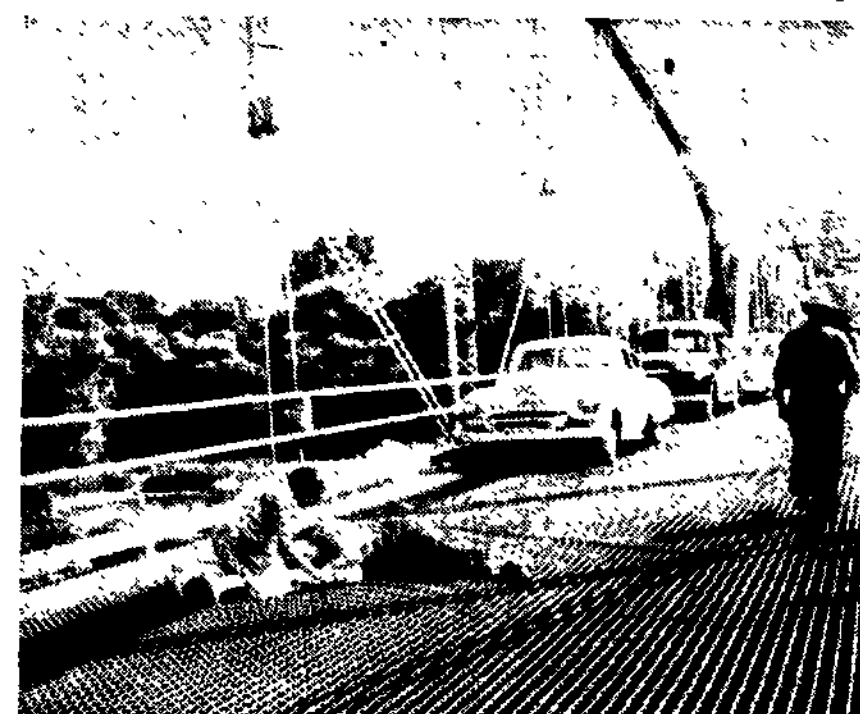

### PITTSBURGH BREWERS TALK WITH STRIKERS

Pittsburgh (P)—International representatives of the CIO Brewery Workers arranged a meeting today with negotiators of three Pittsburgh brewing companies to try and reach a settlement in a three-months-old strike.

Union officials requested the session yesterday. It was the first peace talk scheduled since 2,100 employees of Duquesne, Pittsburgh and Fort Pitt brewing companies turned down last week a proposal for a new contract.

The proposal made jointly by the three firms called for a 12 1/2-cent an hour pay boost and a two-year contract. Present wage scales and union demands have not been disclosed.

### Water Street Grocer Critically Injured

CHARLES SCHOENTHALER, 78, of 500 Water street, is in critical condition this afternoon in Warren General Hospital after being struck by a car driven by Alan Thompson, 17, of Venturatown, on the Fifth street bridge shortly before 11 a. m. today. In the left-hand picture, Mr. Schoenthaler is shown lying on the bridge with Mrs. Schoenthaler kneeling beside him, immediately after the accident, and in the right-hand picture he is shown being lifted onto a cot from the Lutz-VerMilyea ambulance. Witnesses said Thompson, who is the son of Mr. and Mrs. Blair Thompson, was driving

### Steeplechase Record Is Set By Ashenfelter

Helsinki (P)—Horace Ashenfelter, former Penn State College runner from Glen Ridge, N. J., shattered the Olympic record for the 3,000 meters steeplechase today when he won his trial heat in the remarkable time of 8 minutes, 51 seconds.

Ashenfelter turned in this time just a few minutes after Vladimir Kazantsev of Russia set a record-shattering 8:58 performance. There is no official world record listed for this event of one mile and 1,521 yards over obstacles. The former Olympic record was 9:03.8.

### Democrats Display Harmony in Party's Platform Unveiling

Chicago (P)—Democrats, in a surprising display of harmony, planned to unveil their new platform today. It contains a compromise "civil rights" plank.

Those who helped frame the "civil rights" plank said it is a revision of a 1948 section that plunged the national convention into a bitter floor battle.

The new plank was said to promise Negro and other minority groups equal opportunities to vote and work, security of person and aid to discriminations based on race, color, religion or origin.

It avoids specific proposals that have proved offensive to Southerners who believe that racial problems are best handled at state and local levels.

### ERIE MAN KILLED IN TWO-CAR COLLISION

Erie, (P)—Ernest H. Teetzee, 41, of Erie, died today of injuries suffered in a two-car collision.

Police said his auto sideswiped another car at an intersection last night. He was thrown against a tree. The other driver escaped injury.

### QUICKIES By Ken Reynolds

### CHARLESTOWN PRISON REBELLION QUELLED

Boston (P)—Forty-three prisoners led by two life-term killers surrendered early today after a 15-hour rebellion at Massachusetts State Prison in Charlestown.

They released two prison employees, held as hostages, unharmed.

The prison's Catholic chaplain was given much of the credit for ending the rebellion.

Correction Commissioner Maxwell B. Grossman said no promises were given the prisoners.

### Egyptian Army Led By War General In Seizing Government

Cairo (P)—The army seized the government of Egypt today in a coup d'etat led by a Palestine War hero, Gen. Mohammed Naguib, whose appointment as war minister was vetoed last weekend by King Farouk.

The Egyptian State Broadcasting Co. announced the coup. The radio said the army had taken over to halt a prevailing state of corruption.

The sudden action, taken apparently last night, came just a few hours after the independent leader, Ahmed Naguib Hilaly Pasha, formed a new government, Egypt's fifth in six months.

### Highway Secretary Promises All Dirt Roads To Be Paved

Erie, Pa. (P)—The secretary of the Pennsylvania Highway Department says all of the state's remaining 1,000 miles of dirt roads probably will be paved by 1955.

E. L. Schmidt, speaking in Erie before the Pennsylvania Rural Letter Carriers' Association, said yesterday:

"It is entirely possible and quite probable that Gov. Fine's administration will bring an end to the mud, ruts and dust of the earth roads on the rural state highway system of the commonwealth of Pennsylvania."

Schmidt said more than 1,200 miles of dirt road were paved last year in a long-standing farm-to-market road improvement program. He added more than 103 million dollars was spent in road improvement in the state last year—the fifth year in a row that more than 100 millions were expended.

### JOHN RINOLDI NEW TRIANGLE MANAGER

Arriving in Warren Wednesday, July 16, upon completion of a 17-month hitch in the U. S. Army, John M. Rinoldi was introduced as the new manager of the Triangle Shoe Store on Liberty street.

A native of Scranton, Pa., and graduate of that high school, 26-year-old Rinoldi worked at the Triangle Store there before serving with the Army for three years in World War II and then ran his own store in Elmira, N. Y., until late 1950. At that time he was recalled to duty and spent 12 of his 17 months in Korea. Wounded in both Korea and during World War II, he has been awarded the Purple Heart.

"... you mean we use the Times-Mirror Want Ads ONLY every-other-day?"

### Barkley's Eloquence To Be Heard Tonight

Chicago (P)—Vice President Alben W. Barkley, whose voice has sparked many a Democratic victory, will turn on his free-wheeling political oratory again at the Democratic Convention tonight.

The 74-year-old Kentuckian, now out of the race for the Democratic presidential nomination, thus assumes once more his old role as a party wheelhorse.

When National Chairman Frank McKinney announced last night that Barkley would address the convention tonight, cheers filled the hall.

### Policemen Will Ask Mandatory 40-Hour State Work Week

Harrisburg (P)—The 1953 legislature will be asked to establish a mandatory 40-hour week for policemen in Pennsylvania.

The 40-hour week proposal was included in the legislative program adopted yesterday at the biennial convention of the Pennsylvania Lodge, Fraternal Order of Police.

"Boroughs and townships do not have sufficient manpower and therefore, have to add working hours instead of men in order to get police protection," said Sgt. Clement J. Patrick, Mt. Carmel chairman of the lodge's board of trustees.

### WESTINGHOUSE HAS HEAVIEST ORDERS

Pittsburgh (P)—Westinghouse Electric Corp. said today its first half and second quarter sales for 1952 set new records and that its backlog of unfilled orders is the highest in the company's history.

The firm's net sales for the first half of the year were \$681,378,000, compared with \$590,562,000 for the same period last year. The previous record for any half year was \$650,239,000 in the second half of 1951.

### DROP TO 83 IN STORE FOR WESTERN PENNA.

Pittsburgh (P)—The Weatherman said today a comparative cold wave—with the mercury dropping to 83—is in store for a sweltering Western Pennsylvania. Thundershowers also are predicted.

In New Castle Frank Lovaglio, 46, became the first victim of the heat wave. Lovaglio died after collapsing while working at an industrial plant.

### APPROVE BRIDGE

Pittsburgh (P)—Plans for a new Fort Pitt bridge over the Monongahela River have been approved by U. S. Army engineers as part of the Penn-Lincoln Parkway.

### Leak Repaired, Dam Reservoir Is Filled

It was announced today by James Stark, foreman of Chapman park, that repairs have been made to the outlet pipe, the signs removed and the dam almost filled to usual capacity.

This will be good news to sportsmen who have found the dam a popular spot for fishing.

The dam was closed for fishing and partially drained because of a small leak in the outlet pipe, Mr. Stark said. The picnic area in the vicinity of the dam has been a popular recreation spot during the hot weather of the past week.

### RIOTS STAGED BY IRANIANS, FEELING RISES

Tehran, Iran (P)—A frenzied mob of 50,000 screamed anew today for the death of former Premier Arman Qavam and anti-American feeling rose in Tehran in the wake of Mohammed Mossadeq's latest triumphs at home and abroad.

### Four Women Smash Broad Jump Record

Helsinki (P)—Another Olympic record fell today as the fourth day of track and field competition began in the big Olympic Stadium with qualifying trials in three events.

The women's broad jump mark of 5.69 meters (18 feet, 8.02 inches) was subjected to a mass assault and was smashed by four girls, one American, within a short time after competition started.

Yvette Williams of New Zealand got off the best jump of the early trials, clearing 6.16 meters (20 feet, 2.52 inches), nearly two feet beyond the old Olympic standard, established in 1948 by Olga Gyarmati of Hungary.

### HISS' REQUEST FOR THIRD TRIAL DENIED

New York (P)—Alger Hiss' appeal for a third trial—based largely on his contention that he was a victim of forgery by typewriter—was denied yesterday in Federal District Court.

Of the convicted perjurer's motion, Federal Judge Henry W. Goddard wrote in his opinion:

"There is no newly discovered evidence which would justify the conclusion that, if it were presented to a jury, it would probably result in a verdict of acquittal."

### JAYCEES' GIFT TO PUBLIC IN APPRECIATION

As a gesture of appreciation to the people of Warren for their support of the July 4-5 celebration and the Ringling Brothers and Barnum and Bailey circus, the Warren Junior Chamber of Commerce will bring the nationally famous Dixie Band of the 31st Infantry Division, United States Army, to Warren for a parade and concert on August 22. There is to be no charge whatever for any entertainment the band will provide the public while here.

Known as the Dixie Division Military Band, this organization is probably the best known military band in the world today. The convey to Warren, to be made by Army bus assignment, will consist of 105 bandmen, five photographic and publicity men, two military policemen and five bus drivers. With first contact made through Major General A. G. Paxton, commanding officer at Camp Atterbury, Ind., arrangements are now being completed through Lt. Col. John E. Mandeville, public relations officer at Atterbury. An army captain and a lieutenant will accompany the band.

### SOLDIERS WILL ENJOY VISITING HOMES HERE

When it first became known, some weeks ago, that the famous Dixie Band might visit Warren, a number of local residents expressed a desire to entertain some of the soldiers in their homes. Asked about this, Lt. Col. Mandeville said: "The band leader will have authority to excuse any of the men, when they are not on actual duty, to spend their spare time in the homes of your good people. We would like your people to get acquainted with our bandmen, and also for our bandmen to enjoy their stay in Warren and we will do all we can to cooperate in this endeavor."

Many Jaycees members have said they wanted to entertain the soldiers in their homes, and other residents are invited to do likewise. Their desires in this matter may be expressed to Chairman Alan Buerkle or by telephoning The Times-Mirror, 1400. Experience has proven that soldiers are always ready to get on the outside of good home-cooked food!

### South California Shaken By 'Quakes For the Third Day

Tehachapi, Calif. (P)—For the third day earthquake shocks continued in Southern California, with a fairly strong one coming at 2:03 a. m. EST today and lasting for about 20 seconds in this devastated community.

Fireman Robert Opely said this one was the strongest shock since the big one Monday morning that left 11 dead in Tehachapi and damage estimated at 2 1/2 million dollars. More bricks were shaken from wrecked buildings and dishes were broken.

In the Los Angeles area this latest tremor lasted about 15 seconds and was widely felt through the area. At Bakersfield the sheriff's office reported the shock was "probably the strongest" since the main quake. It rattled windows but no further damage was reported.

### Youngsters Enjoy Swimming Contest At Conewango Club

Another successful swimming contest for the younger set has become history at the Conewango Valley Country Club, with arrangements capably handled by a committee composed of Mr. and Mrs. John Carter, Mr. and Mrs. William Fuelhart, Mr. and Mrs. Henry Lanman.

There were 41 entries in all, with winners receiving a prize. Tables were decorated with sand pails and sucker-shovels and an added attraction was the diving

exhibition given by Ronny Wood, lifeguard.

Winners for the various events were recorded as follows:

(1) Non-swimmers—Louis Carter, 1st; Billy Walters, Peter Lanman, Doug Walters, Jimmie Blackman and Willie Michel; 1st, M. Fago; Jerry Lanman and L. Donovan.

(2) Across pool—1st, David Lundahl; 2nd, Chip Young.

(3) Length of pool—1st, Patty Lanman and Allen Crossett; 2nd, Judy Donovan and Evan Lanman, for the 8-11 age group; 1st, Louise Culbertson and Tim Dreman; 2nd, Nancy Lanman and Bob Yerg, in the 12 and over group.

(4) Blowing ping pong ball across pool—1st, Patty Lanman and Allen Crossett; 2nd, Beth Culbertson and Evan Lanman, 9 to 11; 1st, Louise Culbertson and Bob Yerg; 2nd, Nancy Paucek and

Henry Lanman, 12 and over.

(5) Egg and spoon race—1st, Louise Culbertson and Kay Costley; 2nd, Patty Lanman and Carol Blackman.

(6) Length of pool for girls under nine—1st, Patty Prichard; 2nd, Lee Ritchie.

(7) Diving for girls 10-12—1st, Patty Lanman; 2nd, Carol Blackman. For boys 9-12—1st, Evan Lanman; 2nd, Allen Crossett. A special prize was awarded Lee Ritchie, aged six, as the youngest diver. Girls 13 and over—1st, Louise Culbertson; 2nd, Ann Blackman. Boys of 13 and over—1st, Tim Dreman; 2nd, Henry Lanman.

Since the boiling point of oxygen is higher than that of nitrogen, the two gases in the air may be separated by liquifying air and boiling off the nitrogen.

### Demand Increases For New Menswear

Unprecedented consumer acceptance of Witty Brothers' 100% Dacron suits this season forms the basis for the announcement of a doubled output for the coming Spring season, according to a statement issued today by Ephraim Witty, president of the company. The New York men's clothing firm, whose franchise dealer in Warren is The Printz Co., expects that their next year's quota will be insufficient to meet retailer demand for menswear of this new synthetic fabric despite a substantially increased allotment of fabric from Princeton Worsted Mills.

"In spite of the greater availability next season," Mr. Witty stated, there will be a price rise of \$7.00 per suit which will bring the price from this season's \$82.50 to \$89.50. Slacks will be raised \$1.00 a pair from \$26.50 to \$27.50.

"We expected that there would be a reduction in the cost of fabric and, also, that labor unions would effect a reduced wage scale on summer suit operations," he continued. "Neither of these expectations occurred and since we had

predicted our prices on this basis, we were forced to increase prices accordingly," declared Mr. Witty.

On the basis of present indications, it is estimated that Witty Brothers will manufacture around 35,000 to 40,000 Dacron suits and approximately 25,000 Dacron slacks for 1953.

In addition, Witty Brothers are currently experimenting with a suit which will have the ideal appeal for a summer suit—100% washability.

**PLAYGROUNDS TO HAVE  
GOOD NEIGHBOR NIGHT**

Eugenia Price and Joann Gibson, directors of activities at the Beaty playground, have plans complete for their Good Neighbor Night observance on Thursday.

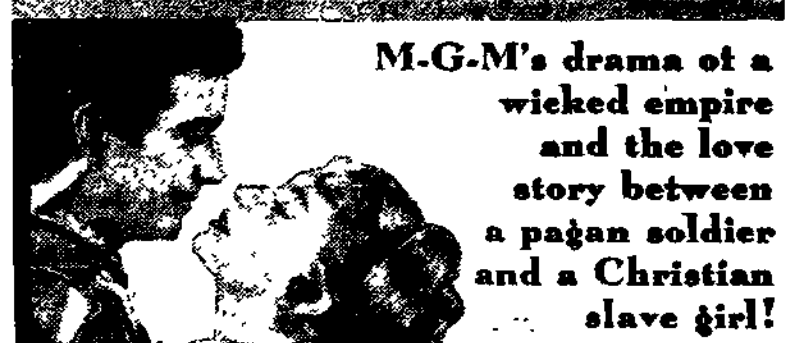

The affair will start off with a wiener roast at six o'clock, followed by group singing and square dancing.

Parents of the area are cordially invited to accompany their children for this special event and all attending are reminded to bring wieners and buns for an evening meal.

CLASSIFIED ADS accepted until 11 a. m. on day of publication.

### Times Topics

#### ON DEAN'S LIST

Dick Updegraff, 405 Conewango avenue, who is a sophomore in the wood utilization course at Pennsylvania State College, maintained an average of 2:54 in the spring semester to earn a spot on the Dean's List at the School of Agriculture.

#### DIES IN JAMESTOWN

Word has been received of the death of Clyde W. Bowen, 64, of 136 Chautauqua avenue, Lake-wood, who passed away yesterday morning in the Jamestown General Hospital. Mr. Bowen at one time was a barber in Warren. He is survived by his wife, three sons, a daughter and four grandchildren. Services will be held from the Powers Funeral Home in Jamestown Thursday at 1:30 p. m. Burial will be in Maple Grove cemetery at Ashville.

#### RESERVISTS MEETING

All reservists and interested persons are reminded of the regular meeting of the Volunteer Air Reserve to be held at 8 o'clock tonight at the American Legion Home. Lt. Willis Lundahl will present the intelligence briefing, which will be followed by a short business meeting. At the completion of this, the group will adjourn to its new permanent headquarters. Lt. John Newmaker, commanding officer of Flight E, desires as many as possible to be present as plans will be made for the development of the new site.

#### 4-H CLUB PICNIC

A County-Wide 4-H Club Picnic for all members of Home Economics and Agriculture clubs will be held on Tuesday, July 29, at Wilder Field, Irvine. Activities will get under way at 10:30 a. m. with various types of recreation. At noon, there will be a picnic lunch as planned with club members and leaders. Agriculture and Home Economics clubs from same or nearby communities may want to make picnic plans together. All 4-H Club members, leaders, parents, and friends are invited to attend.

#### PASTURE DEMONSTRATION

All persons interested are reminded of the pasture renovation demonstration to be held Friday afternoon at 1:30 p. m. at the farm of Charles Camp, of Torpedo. An old pasture will be torn up, fitted and seeded. Purpose of the demonstration is to show that farmers can renovate their own pastures with equipment available locally. State College specialists will be on hand to explain the work. The Camp farm is located on Cole Hill, about three miles south of Garland, and the Warren County Agricultural Extension Service said there would be signs at Garland directing drivers to the demonstration.

#### ON DEAN'S LIST

Harry A. Danielson, son of Mr. and Mrs. Milton L. Danielson, 11 Conewango Place, Warren, attained the Dean's List at Indiana State Teachers College during the second semester of the academic year just completed. According to Dr. Ralph E. Heiges, dean of instruction, all students who receive this recognition must be in the upper seven percent of the department in which they are enrolled, have no F's, D's, or incompletes, and must be recommended by the department concerned. Students included are from the freshman, sophomore, and Junior Classes; seniors are not eligible. Mr. Danielson was a sophomore in the business education department at the Indiana State Teachers College.

## TOPS IN PAY LOAD!

If you use gasoline-powered tractors in the 45,000 GCW class, here's big news. This new GMC Series 470 will haul more pay load than any other vehicle of its rating with comparable standard equipment—up to more than a half-ton than some!

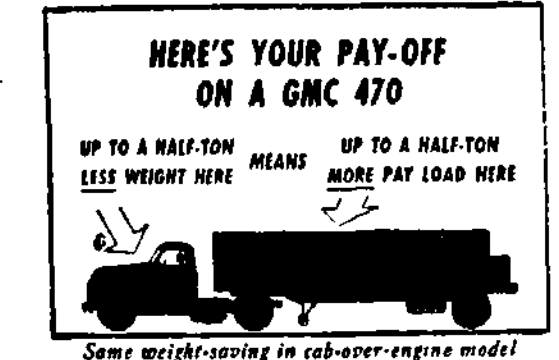

That's because GMC has found new ways to fake dead weight out of truck design by advanced engineering.

One example is GMC's sensational new "302" valve-in-head engine that delivers 145 h.p. at 3200 r.p.m. It weighs less than other engines of equal power by as much as 500 lbs. Yet it's the highest-compression gasoline truck engine ever built—gives you extra mileage from regular fuel!

**C. C. SMITH CO., INC.**  
11 Market St. Phone 2700 Warren, Pa.  
You'll do better on a used truck with your GMC dealer

Come in. Compare them—in power, in pay load, in rugged long-life construction—against all the rest!

Then check the price and you'll agree: nowhere else will so little buy so much in a 3- to 4½-ton truck.

Same weight-saving in cab-over-engine model

**Pennsylvania Gas Defends Heat Ban**

Pennsylvania Gas Company officials have charged that persons whose gas supply has been shut off "stepped out of line" using gas for heating without permit.

They pointed out that "other" gas users are still patiently waiting for their turn.

Company officials say that shortage in the gas supply is a serious prospect for next winter. They said there is no of telling when the company will be able to meet all demands for heating gas.

Meanwhile, the movement to the arbitrary shut off decision by the gas company was growing as Samuel Baker, attorney for consumers, prepared to test the decision with the courts.

**Printz Co. Plays Host To 800 Hot Stove Leaguers**

WARREN FANS AT JAMESTOWN STADIUM—Most of the Warren Hot Stove League players and adults who accompanied them to the Falcon-Phillies game at Jamestown last evening were seated in the bleachers along the first base line, to enjoy the annual Printz Company Kids' Night. Above photo shows a small section of the crowded bleachers.

—Timesphoto by Saylor

and Kane were scattered in the seats along the third base line and in the grandstand, with some mingling with the local group.

At intervals, as the game progressed, names of scores of youngsters were announced over the public speaker system as recipients of the large collection of gifts that were distributed by the Printz Company during the evening. Each particular delegation cheered when names of their group were announced, and boomed when mention was made of recipients from other towns, providing much entertainment for adults in attendance.

Manager Ernie Bautz, and most of the staff from the Warren store, were on hand providing a reception committee for the young baseball players and their chaperones early in the evening, and later making certain each and all of their young guests were having a thoroughly good time.

The weather was fine, the "home" team won, many of the youngsters came home with gifts, and all of them seemed to have been well taken care of, so far as pop, ice cream, popcorn, etc., were concerned, all combining to make a perfect evening for everyone who was in attendance. We are certain everyone would join with us in extending a whole-hearted "thank you" to the Printz Co., and especially the Warren store management and staff.

Prizes won by Warren and county youngsters were: David Hollingshead, 34½ Mohawk avenue, a Picariello & Singer Cadet Sult; Dennis McNally, RD 1, Akeley a Sport Pal winter jacket; Bill Knapp, North Warren, a Steinglass baseball jacket; George Wollaston, 14 North Marion street, a Kalamazoo Pant Co. slacks; Tom Tutaro, 15 Ludlow street, McGregor sport shirt; Dick Iseman, 118 Cayuga avenue, a Kaynes sport shirt; and David Pring, 124 Elm street; Tom LeTrent, 302 Eldy street; Larry Cameron, 116 Bidle street; and Bill Duff, Jr., 623 Conewango avenue, all Falcon autographed baseballs.

Judges for the drawing were Bill Tordella, Jamestown; Dennis Mong, 57 Hemlock street, Warren; and Jim Nickel, Kane; and they were assisted by Scotty Saylor, son of Sparky Saylor, Times-Mirror photographer, who did the drawing.

The winners can call for their prizes at the Printz Store in Warren.

Now, you can defrost your electric refrigerator—while you sleep—automatically—every night. The ALL-TIMER "De-Frost-It" keeps your refrigerator at top efficiency. Foods stay fresh longer and you save electricity.

You have dreamed of automatic defrosting. It's here now. Regardless of the age of your present refrigerator, just plug in the "DE-FROST-IT" and your refrigerator will operate as efficiently as any built-in modern model costing several hundred dollars.

"De-Frost-It" is completely automatic and adjustable from 1 to 4½ hours of nightly defrosting. No installation. Just set it and forget it. You'll enjoy more uniform cold—no ice cube freezing—no food waste—longer refrigerator life—and at less power cost. Get yours today.

15 WAYS BETTER

- \* Operates on any electric refrigerator—regardless of age
- \* "De-Frost-It" hangs on the wall, near refrigerator
- \* Just plug it in. No installation needed
- \* Operates like an electric clock
- \* Defrosts automatically every night (after 1 a.m.)
- \* Adjustable defrosting 1 to 4½ hours
- \* "De-Frost-It" keeps freezing unit free of frost
- \* Nightly defrosting washes away odors
- \* Maintains uniform cold
- \* Keeps foods fresher—longer
- \* Saves power. Prolongs refrigerator life
- \* Gleaming White Enamel—3½ x 2½ x 3½
- \* Underwriter's Laboratory Approved
- \* Guaranteed by Good Housekeeping
- \* Factory Guaranteed for 1 year

## TO THE LADIES

One of our reporters in Chicago has been flipping the pages of Montgomery-Ward's new Fall and Winter Catalogue, says the Wall Street Journal, and he has come up with some rather disconcerting conclusions.

According to The Journal, "Montgomery-Ward is taking the sex out of their ads."

There are fewer comely blondes modelling the fur coats they offer in the new catalogue; the stockings for sale are no longer filled with a dimpled knee, a trim calf and a well-turned ankle. These days the coats are just coats, and the stockings are just so much nylon, flat and uninteresting, with room for large feet and absolutely no conjecture at all.

Now we certainly do not consider ourselves as competent in the field of merchandising as Mr. Sewell Avery or his assistants. But we know what we like, and it's the same all men like.

Of course, men and women like different things. It would be tragic if men and women thought alike, and terrible if they were alike. A wise but unsung Frenchman best expressed it when he cheered: "Vive la difference!"

So the modelless coats and dresses, the empty stockings and the smileless ads might appeal to the lady buyers. Montgomery, Ward ought to know. But dreams is the stuff the world is made of, and it might just be that when the housewife shows that new coat she wants to the old man there may be a psychological factor missing as well as a smiling model.

What might be missing now is the willingness of the old man to part with the price of the coat on the off-chance that it will make the lady of the house look just a little more like the lady of the ad. Just thought we'd warn Montgomery, Ward, concludes the Journal.

## SAFETY ON THE FARM

A quick look at the appalling toll of farm accidents should spur safety efforts, states County Agent O. C. Tritt, reminding that Farm Safety Week is being observed throughout the country. About 60 out of every 100,000 farm residents, a total of 14,500, lost their lives from unnecessary accidents during 1951 according to the National Safety Council, while 1,250,000 others suffered lost time injuries.

During 1951, motor vehicle accidents accounted for 5,900 fatalities and 210,000 injuries to farm people. Farm work accidents claimed 4,000 lives and 330,000 injuries. There were 3,900 fatalities and 580,000 injuries in the farm home. A number of miscellaneous causes accounted for the remaining tragedies.

More workers were accidentally killed in farm work than in any other major industry. Agriculture, of course, has the largest number of workers but the accident death rate was 57 per 100,000 workers. This is about 3 times as high as the rate for workers in manufacturing plants where more safety precautions are observed.

The county agent insists "the farm accident rate will drop rapidly as more and more farm families adopt safe practices. The present losses are unnecessary and they can easily be reduced. A determination to practice safety is the principal requirement."

## PRINTZ COMPANY THROWS A PARTY

According to all reports, annual Printz Company Kids' Night at the Jamestown Stadium Tuesday evening was by far the largest attended and most entertaining of any that has been held before. Of the estimated 2,700 kiddies in attendance, between 700 and 800 were from the Warren area, and many of them shared in the distribution of gifts made by the well known store company during the evening. Helping to make certain that their young guests enjoyed themselves were the management and most of the employees of the Printz store in Warren, along with staffs from stores in Kane and Jamestown. It was an eventful party for everyone, including the kiddies and adults who were present, and the Printz Company is receiving well-deserved praise for sponsoring a delightful evening for such a large crowd of youngsters.

The most significant development of the first two days' sessions of the Democratic National Convention has been the growing movement toward the nomination of Gov. Adlai Stevenson of Illinois.

It will be good news to followers of Izaak Walton to learn that repairs have been completed at Chapman dam, the signs removed and water again available to fishermen.

## Y'Know, Pal, It's Fantastic the Way We Always Win!

## Here And There

We are reminded by a story in the Times-Mirror files of twenty years ago that it was eight-fifty years ago this month that Trinity Memorial Episcopal parish was founded in this city.

The article recalls that the initial service in the first Episcopal church was held at five p. m., July 16, 1867. It was not of course in the present building but in the original edifice, which was later acquired by the Swedish Baptists and is still in use by that denomination now known as the Calvary Baptist, and stands at the corner of Redwood and Center street. The vestry at the time was composed of the following: M. Beecher, Jr., J. H. Palmer, J. F. McPherson, Lewis F. Watson, C. B. Curtis, L. Lowry and John S. Arthur Crouse, William Crouse and Leah Crouse members of the present congregation, are grandchildren of one of the architects, Mr. Marston, who with his partners, Linscott & Ober, prepared the plans for the first church building.

The church was memorial to Bishop Bowman, born at Wilkes-Barre, and who died August 3, 1861 on the banks of the Allegheny about twenty miles below Oil City, while visiting this section of the state to establish Episcopal missions. That is why the word "Memorial" is included in the name decided upon by the organizers. The first Episcopal service in Warren was held at three p. m., June 26, 1864 in the First Presbyterian church, and incidentally this edifice is now used as a house of worship by the Swedish congregational and stands on Market street just south of Third avenue. The initial service was conducted by C. C. Parker, an ordained deacon who held services every other Sunday in Corry.

The second service was held in the Baptist church and after December 1864, the small congregation worshipped in the east hall of Johnson's Exchange. A vestry was elected under a charter which was never legally completed and was afterwards lost. This vestry was composed of M. Beecher, Jr., E. N. Biddle, George A. Cobham, Isaac S. Allen, C. B. Curtis, G. A. Irvine, M.D. and O. C. Brownings.

The first Sunday school was organized in September, 1864, with six students.

Since Monday, April 17, 1865, the first annual parish meeting

was held with six in attendance, including the rector, and wife, when the following vestry was chosen: M. Beecher, Jr., J. S. Alden, J. F. McPherson, John Sager, C. B. Curtis, L. L. Lowry and J. M. Stowe.

In the sixty-five years of existence the parish has had nine regularly appointed rectors, in addition to a number of others who supplied the pulpit during the times that vacancies existed. C. C. Parker was the first rector, his pastorate being from 1864 to 1869. Other rectors in the order of their administrations were: Herman S. Getz, 1869-1882; Albert W. Ryan, 1882-1893; J. Townsend Russell, 1893-1894; Arthur R. Taylor, 1895-1906; W. H. Jones, 1907-1917; Gomer B. Matthews, 1920-1923; J. L. Ware, 1924-1929; E. P. Wroth, 1929-1943; Beecher M. Rutledge, 1943. It will be recalled the Rev. E. P. Wroth was consecrated bishop of the Erie diocese September 16, 1943, and died suddenly June 22, 1946. The Rev. Rutledge preached his first sermon for the parish on All Saints Day, in November, 1943.

Terse, Tart and Timely: Many church patrons are still heaping praise on Wendell Peterson, Red Cross inspector, who was in charge of the Peterson ambulance and first aid station that operated in the Hangar office last Friday during the appearance of the Ringling Bros.-Barnum & Bailey circus, for courteous and helpful acts to all who called there. Encouraging to note that many members are making use of the YMCA tennis courts again this summer, after it appeared that they would grow up to weeds. King Bros. & Christiani Combined Circus is booked for Bradford Wednesday, July 30th, and the unusual thing in connection with the announcement is that "A gorgeous street parade" is scheduled for eleven a. m. Gov. John S. Fine is losing no time expressing his appreciation to Pennsylvanians who have accepted posts of importance for Pennsylvania Week. Upcoming in October, personal notes having been received by a number in Warren this week, including yours truly. Charley Keating, well known Corry mortician, is wearing a medal containing the message "I Beat Ben Hogan." In four weeks Warren High School footballers will be in the midst of their pre-season drills. The second hole in one of the season was recorded at the Corry Country Club Saturday evening, when "Nick" Carter, pro at the hilltop layout, canned his tee shot on the 150-yard No. 3 hole, while playing in a twosome with Bill Dyckes. The other hole-in-one was recorded several weeks ago by Robert Stowe, visitor at the home of his parents, Mr. and Mrs. Lloyd Stowe.

## ★ EDSON IN CHICAGO ★

## New GOP Chairman Held Out Against Dewey Choice in 1948

BY PETER EDSON  
NEA Washington Correspondent

CHICAGO (NEA)—Naming of Arthur E. Summerfield of Michigan as GOP National Chairman has recalled his important role in past GOP internal warfare.

He was an ardent supporter of the late Sen. Arthur Vandenberg of Michigan for the Presidency in 1948. Summerfield was violently anti-Dewey, and he and Tom Coleman of Wisconsin held out against the New York governor's nomination until the last dog died.

In 1952, of course, Coleman was Taft's floor manager while Mr. Summerfield, holding out as unpledged until the convention, finally gave his support to General Eisenhower. Now Chairman Summerfield is trying hard to get Coleman to join forces with him to help direct the campaign for Eisenhower.

Sen. Robert A. Taft's role in the new Republican administration is believed to have been spelled out rather definitely in the first conference between General Eisenhower and the senator, immediately after Ike got the nomination.

"The general said that he hoped he could count on Taft's continuing support—as majority leader of the Senate."

THERE was another masterful understatement when Arthur Summerfield was asked if he had any plans for overcoming the Midwest's dislike for Gov. Thomas E. Dewey of New York.

Mr. Summerfield replied, "I hope Governor Dewey will do anything he can to help carry New York."

When reporters let out loud guffaws at that crack, the chairman hastened to add, "I hope you won't put the wrong interpretation on that remark."

Selection of young Sen. Richard M. Nixon of California as Republican vice-presidential nominee is now being built up as an extremely smart bit of political strategy. The theory behind it is that Senator Nixon personifies a cleaned-up version of McCarthyism.

By taking Senator Nixon as his running mate, General Eisenhower has in effect given his endorsement to the Republican drive to clean the Communist influences out of the federal government.

But he wants this done without so much of the smear, the unproved charges and the exaggerated statements that characterized so much of Wisconsin Sen. Joe McCarthy's campaign.

SENATOR NIXON is of course given credit for having "broken" the Alger Hiss case in 1947.

After Whitaker Chambers first made his charges before the House Un-American Activities Committee, Alger Hiss took the stand. Hiss then gave such a convincing denial of the charges against him that he almost convinced the committee on the spot that he was innocent.

Sen. Karl E. Mundt, then a representative from South Dakota, and other congressmen practically apologized to Hiss for having listened to the charges against him.

Nixon and one or two others were unconvinced. As a lawyer Nixon thought he detected many statements in the Hiss testimony in which Hiss—also a lawyer—had carefully avoided perjuring himself.

Nixon insisted on further hearings. The result was to convict Hiss of perjury.

Five years later this catapulted him into the vice-presidential nomination.

In the campaign, one of Nixon's main assignments will be to bear down on Communism in government charges.

## UNCLE EF

In the old days when a man wanted a raise in pay, he'd fight with the boss for it—at least his wife told him to. Now he's got the problem of figuring out whether a fight with the boss is worth what he'll have left of the raise after the government takes its increased tax bite. © NEA

## YEARS AGO

Interesting Items Taken From The Warren Evening Times

1932  
Mrs. Emma C. Keller, Mrs. E. D. Everts and Miss Nellie E. Lounsbury, of Warren, and Miss Inez Gregory, Russell, attended the annual picnic of the WEA at Conneaut Lake.

Ladies' Aid Society of the First Evangelical church enjoyed a picnic at the farm of Mr. and Mrs. D. C. Brasington on Fifth street.

Mohr Printery mushball team journeyed to North Warren and defeated the Independents of that place, 14 to 5. Morse and Highhouse had triples for Mohrs while R. Landers turned in a homer for the Indies.

Flo Ziegfeld, glorifier of the American girl, succumbed to a heart attack at his home in Hollywood.

The map committee of the Warren County Motor Club, appointed by the president, A. A. Albough, met at the home of Judge and Mrs. E. S. Lindsey, East street.

Paul Borg, son of Mr. and Mrs. G. M. Borg, Canton street, has arrived home from a six-weeks' ROTC training period at Camp Humphries, Va.

Company I, arriving at the Armory this morning, were served breakfast by the ladies of the VFW Auxiliary. Those in charge were Mrs. Zella O'Connell, Mrs. Mary Pearson, Mrs. Lillian Himebaugh, Mrs. Edith Armstrong and Mrs. Isabelle Olson.

1942  
War Bulletins: Russia faces gravest crisis in the 13-month battle. Nazis spear anew toward Stalingrad and the lower Don. British army of the Nile gains ground as Axis center is driven back in steadily mounting fighting. Thrush is made by Japs on New Guinea and Nipponese win foothold on southeast coast of the island.

Mrs. R. N. Connelly entertained with a beautifully appointed tea at her home in Palm avenue, honoring Mrs. Malcolm Knox, of Asheville, N. C., who is visiting her parents, Mr. and Mrs. Bro. Marrer, Conewago avenue.

Miss Ruth Bengtson, daughter of Mr. and Mrs. Carl Bengtson, West street, will be presented in special recital at the Conservatory by her piano teacher, Miss Adelaide Swanson.

The Elsie Ross Circle of Grace Methodist WBSB will have a picnic at the home of Myra Strickland, North Warren.

At a Red Cross meeting, the following were elected to the executive board: J. H. Alexander, H. L. Banghart, George Geracimos, Mrs. W. F. Clinger, Mrs. R. W. Steber, Paul E. Harrington, Mrs. A. A. Grant and L. W. Shipman.

## Farm Labor Situation Serious

"The farm labor situation throughout the country is becoming more acute and serious," according to C. R. Schohy, President of the American Dairy Association. Mr. Schohy, an Iowa dairy farmer, says growing shortages of dairy farm workers and the heavy investment a dairy farm demands today leads him to wonder if the question "how much does a quart of milk cost?" may turn into "where can we get a quart of milk?" "Census figures show," Mr. Schohy declared, "that there were about 1,320,000 fewer people working on U. S. farms in 1950 than in 1940."

"The decline of farm workers was caused largely by the decrease in the number of farm operators and family workers who are members of the operator's family, resulting from the decrease in the number of farms. There were approximately 500,000 fewer hired workers on farms in 1950 than in 1940. Expenditures for hired labor were 271 per cent greater than in 1939."

"The number of farms in the United States in 1950 was 495,000 less than in 1945 and 713,000 less than in 1940. The average size of farms increased from 174.0 acres in 1940 to 194.8 acres in 1945 and 210.5 acres in 1950. The percentage of farms operated by tenants declined from 38.7 in 1940 to 31.7 in 1945 and to 26.7 in 1950. Displacement of about 3,500,000 American farm workers by 1970 as a result of labor-saving devices 'revolutionary in impact' is forecast in a recent study made public by a Senate committee."

Mr. Schohy said that dairy farm owners are using all possible mechanical devices to help them carry on their 365 day a year job of milk production.

"Mass production of milk on the dairy farm is not sufficient to take up the loss of labor," he added, "and overcome gradual disappearance of the family type farm. During the five years from 1945 to 1950 there was a decline of 124,000 in farms of from 100 to 219 acres."

# Wells in Carter Hill Area Strike Oil Instead of Gas

An unexpected show of oil on Carter Hill, five miles northwest of Corry and a disappointing flow of gas in Conneaut Township have men talking.

The oil was found at 4,109 feet in the Blackwater or Newberg zone in a Carter Hill gas well being drilled by the Pennsylvania Gas Company. The company has a gas well on the lease and is putting down a sixth when it was found. Mixed with salt water and sand, it congealed overnight to a grease-like consistency. Warren refinery is analyzing it. However, oil was not present in sufficient quantity to warrant pumping. A spokesman for the Pennsylvania Gas Company told the Herald last evening that drilling would be resumed today in search for gas.

The firm finds gas at Carter Hill in the Red or White Medina

sand, which lies about 1,500 feet deeper than the Oriskany. There is no Oriskany at that location, however.

Over in Conneaut Township, Crawford County, the flow of gas declined in the McConnell-Howard-Eastlake well. Shot last Friday, the well's gas flow did not increase as much as the managers had hoped. It was gauged yesterday by George Stewart, of the United Natural Gas Company of Oil City at 213,210 cubic feet a day.

This disappointed the managers. To be profitable a gas well generally should show about 1,000,000 cubic feet, The Herald was informed.

The decision will be made soon whether to shoot the well again—it was given 45 quarts last Friday—or to cap it permanently.

Russell McConnell of Dorset, O., said his group was going ahead with plans to drill a well on the Ted Moyers property near Conneaut Lake despite the results of this well.

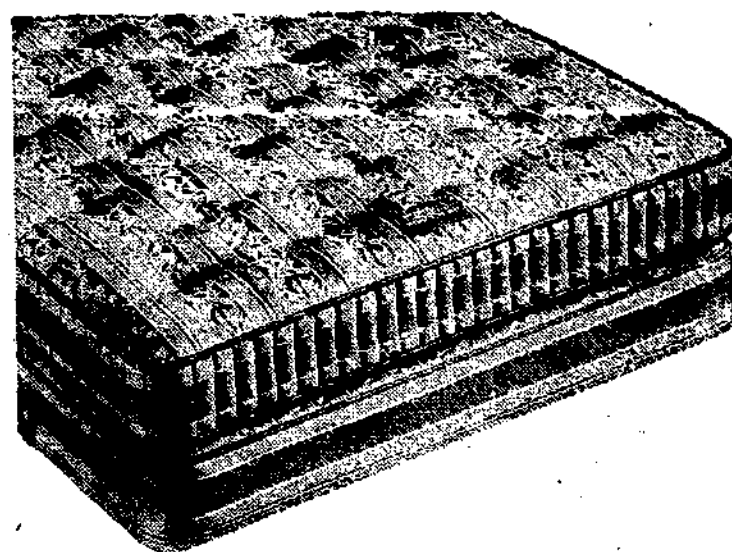

## YOUR FORESTER L. E. Stoltz

Those who deplore any adjustments in numbers in the present large deer herd of Northwestern Pennsylvania are condemning future generations of the State tree, the Hemlock, to a very minor place in our local forest.

One of the things that makes the forests of Northwestern Pennsylvania so attractive and valuable is the variety of species comprising them. Of the many different species represented, the Hemlock and the White Pine are the only major evergreen trees growing in association with the hardwoods. The light loving pine is unable to develop under the shade of the aggressive hardwoods and because of its many enemies now plays a very minor role in our local woodlands. But the Hemlock is very tolerant of shade and is ideally suited to compete with the broadleaved hardwoods even though it might have to wait a century or more, under heavy shade, before it has the opportunity to achieve its place in the sun.

Despite decades of abuse by the logging industry, which first stripped the felled trees for merely their bark, leaving the entire tree to rot on the ground, and later cut the best of the remaining Hemlock for both bark and sawlogs, the Hemlock has managed to survive in substantial enough numbers to add both beauty and value to an otherwise monotonous hardwood forest. It is in the winter-time, however, when the broadleaved trees have shed their leaves that the Hemlock really comes into its own. The bright green of its handsome foliage on an otherwise drab landscape not only adds beauty to the scene, but of equal or more importance, it forms valuable cover for wildlife. Actually the one factor that really limits the supply of grouse, rabbits and other small game is the amount of winter cover, of which Hemlock is one of the best species. Trained wildlife managers learned long ago that if they let their deer herds become so numerous as to be out of balance with their habitat, the food and cover of all other game gives way to the hungry deer and the result is drastically reduced numbers of the small game, and an undernourished, stunted deer that is constantly out of balance with its range.

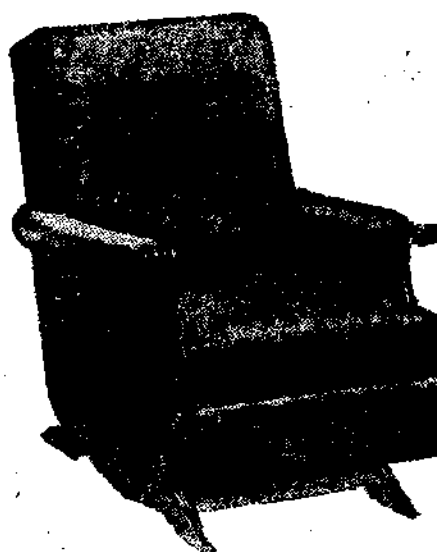

Although the hemlock can live to ages, sometimes in excess of 400 years, and there is still a very promising understory in places which developed before the deer herd overran its food supply. The only assurance that future genera-

tions of citizens have that this beautiful tree will grow in abundance in the forest is for crops of young seedlings to develop and thrive each year.

The almost complete absence of small hemlock seedlings in many places, on the local forest floor, and the close browsing by deer on the hemlock understory that developed before the deer herd overgrew its food supply, is a serious situation. There are few places on the forest where a definite "browse

line" (showing how high the hungry deer can reach) is not evident on the hemlock understory, and in many cases this browsing has been so serious as to kill some of the trees. Even though such browsing does not kill the entire hemlock understory it kills the lower branches which normally would remain thick with foliage. On open grown trees, these would extend clear to the ground line and thus provide excellent escape

### Reunion Committee Sets Reservations Deadline July 28th

The Warren High School Class of 1951 reunion committee has set Monday, July 28, as the deadline for purchasing tickets for the outing to be held at Red House Lake in Allegany State Park on Saturday, August 2.

Plans have been completed and a large turnout is hoped for. Those who have not already purchased tickets for the reunion may do so by calling Paul Gordon, 112 Conewago avenue; Dick Rutledge, 423 Fourth avenue; Patty Hamm or Tony Papalia.

An enjoyable afternoon and evening of entertainment with former classmates is promised all who attend. Johan Stohl, assisted by Connie Peterson, will lead the group in singing and is arranging a talent show by several members of the class. Other entertainment will include hiking, swimming, dancing, baseball, and a treasure hunt.

The reunion starts at 3:00, the treasure hunt will be featured at 9:00, and the meal, obtained from Lewis Catering, will be served at 7:00. Reports by class officers will then be given, with Paul Gordon acting as master of ceremonies.

The committee will have its next meeting at the home of Yvonne Fino, 22 South Carver street, Thursday, at 7:30 p. m. to discuss any remaining details of the outing.

### Youngsville Girl Is Bride in Ceremony At Kane Methodist

First Methodist church at Kane was the scene of a pretty wedding at 2:30 p. m. Saturday, July 12, when Helen Edna, daughter of Mr. and Mrs. Harvey Withington, Youngsville RD 1, became the bride of Robert Allen, son of Mr. and Mrs. Harry Larson, 210 Poplar street, Kane.

The Rev. Sherman H. Eppler performed the double ring ceremony before an altar decorated with summer garden flowers and candles. Wedding music was by Mrs. James McDade, II, organist, and Mrs. Gerald Baruth, vocalist. Matron of honor was Mrs. Gary Malmrose and bridesmaids were Mary Withington, sister of the bride, Mary Lou Cronin, Mary Rietter and Hannah E. Kane. Elizabeth Lee Benson, Grove City, was the flower girl and William Latshaw, cousin of the bride, served as ring bearer. Completing the bridal party was Donald Alexander as best man, and the following ushers: Allen Larson, nephew of the bridegroom, Ivan Udovich and Gary Malmrose. Mr. Withington gave his daughter in marriage.

The bride wore white mouseline de soie and chantilly lace, with full length train, and carried a cascade of white carnations with ivory and white streamers. Her fingertip veil of silk illusion was bordered with chantilly lace and fell from a half-hat of lace and rhinestones.

Attendants were gownned in net over taffeta. Mrs. Malmrose in Nile green, the others in lilac and yellow. All had headpieces of white roses blended with net and colonial bouquets were in contrasting shades. The flower girl wore white organdy with Alice blue sash and hair ribbon and carried a small yellow and blue basket filled with pink roses. Wearing a white linen suit, Master Latshaw carried the rings on a white satin pillow.

A reception for 250 guests was held at Bartlett Hall from 3:00 until 5:00, with Mrs. Russell Vanatta, aunt of the bride from Emporium, cutting the four-tiered cake. Aides were Mildred and Ruth Withington, sisters of the bride, Mrs. Clair Christie, Mrs. Robert Bray, Betty Rietter, Alice Fitzella, and Edythe Swedehjelm.

After a New England honeymoon, the newlyweds will live at 119½ Yarnall street, Kane. Mrs. Larson, graduated from Youngsville High in 1946 and from the Orra Jean Beauty Academy of Erie, owns and operates the La-Vogue Beauty Salon. Mr. Larson, alumnus of Kane High in 1939, is employed by the George Barth Trucking Company. He served three and one-half years in the Army during World War II, with 18 months in the Pacific theatre.

### Bloss and Russell Rites Announced

Mrs. David T. Johnson and Theodore Russell announce the marriage of their daughter, Dorothy Russell, of Russell, to Lloyd Bloss, son of Mrs. Pearl Smith, Erie.

The ceremony, read by Mayor Stanley A. Weeks, took place in City Hall in Jamestown on July 16, 1952. Attending the couple were Mr. and Mrs. Burdette Knopf and Mrs. Charles Knopf.

The bride was attired in a white linen suit, with which she wore navy blue accessories.

Mr. and Mrs. Bloss will make their home in Harborcreek. The bride is a graduate of Warren High School, in the Class of 1950, and has been employed by the New Process Company. Mr. Bloss attended Union City and Erie schools, served three years with the U. S. Medical Corps and at present operates the Hotel Lloyd at Harborcreek.

#### WCS PLANS PICNIC

Barnes—Ten members were present for the WCS meeting held in the Methodist church, when plans were completed for a picnic to be held Thursday afternoon of this week at the home of Mrs. John Burns. Serving will be at one o'clock and all attending are asked to bring a tureen and table service. All members of the group are cordially invited.

Mrs. Burns was in charge of the regular business session and Mrs. Harrison Wolfe read the lesson and conducted devotions. After the meeting, all attended a WCS tea at the home of Mrs. Laura Cochran at Sheffield.

#### ENGAGEMENT

Mr. and Mrs. Gerald Smith, 325 Hickory street, wish to announce the engagement of their daughter, Patricia Ann, to James Vavala, son of Mrs. Joseph Vavala, 703 West Fifth avenue.

#### METHODIST PICNIC

Members of the Sheffield Methodist church and Sunday school will hold their annual picnic tomorrow at Wildcat Park at Ludlow and a large turnout is hoped for.

#### TIONA LADIES AID

Tiona Ladies Aid members will be entertained in the church parlors at one o'clock Friday afternoon. All are urged to be in attendance and to bring tureens and table service.

### PARTY GIVEN FOR CORYDON RESIDENT

Corydon—J. H. Crooks, recently observing his 85th birthday anniversary, was guest of honor at a number of family dinner parties, a very enjoyable one being held at the home of Mr. and Mrs. Bernard Joy, in Warren, when Mr. Crooks was presented a beautiful birthday cake. The honored one expressed his appreciation to his many friends and relatives who made the '52 event one to be long remembered.

Those attending the dinner were the honored guest and Mrs. Crooks, Mr. and Mrs. Nelson Crooks, Mr. and Mrs. James Crooks, Corydon; Mr. and Mrs. Jefferson Sears, Aksey; Mr. and Mrs. Lewis Sears, Aksey; Jack and Jerry Sears, Franklin Nordland and son, Jamestown; Mr. and Mrs. Raymond Crooks, Buffalo; Mr. and Mrs. Frank Pasquill, Oil City; Mrs. Mary Kerwin, Mr. and Mrs. George Joy and son, Warren, with the host and hostess.

### REBEKAH LODGE

**WILL DRAPE CHARTER**  
Holding its regular meeting at 8:00 p. m. Friday, members of Lady Warren Rebekah Lodge will drap their charter in tribute to Blanche Zeck, of Pittsburgh, vice president of the Rebekah Assembly and victim of an automobile accident in that vicinity.

A large turnout is hoped for at this week's meeting, since plans are to be discussed for holding the district meeting here during August.

### Ugly Eczema No Joke

The itching torment of eczema is enough to make anyone wretched and anxious for relief. Sufferers from itching eczema, pimples, angry red blotches or other irritating blemishes, get Peterson's Ointment, 40c, all druggists. One application must delight you or money refunded. Also for itching feet, cracks between toes. (Adv.)

### Jamestown Hospital Will Benefit From Home Tour

Many in Warren and vicinity recall with pleasure the Home and Garden Tour sponsored a year ago as a benefit for the WCA Hospital in Jamestown and will welcome the news that the affair is to be repeated on Wednesday, August 6.

Residences to be opened are those of Mr. and Mrs. Leonard G. Ritts and Mr. and Mrs. Paul L. Sample at Chautauque, with no extra charge to enter the institution grounds; Mrs. Earl J. Bellinger's formal gardens at Magnolia Springs, where tea will be served; the George Anderson home at Ashville, located on the crest of the hill overlooking the lake and possessing a specially designed furniture; the Robert Fisher Yankee farmhouse; Leo H. Ludwig, Spanish architecture, at 9 Falconer street; the Howard Dow Georgian house; and the Edwin J. Ashwell early American home, Arlington avenue.

The homes to be shown are all different than those visited last year and, learning by experience that more time was needed, the tour will start two hours earlier. The time will be 11:00 a. m. to 5:00 p. m., which will insure a more leisurely day.

Warren folks who would like to participate in this unusual hospital benefit may secure tickets from Mrs. J. H. DeFrees, 414 Liberty street, telephone 2192.

### DISTRICT PTA PICNIC

All members of local PTA units are cordially invited and urged to attend the Northwest District family picnic, to be held at 12:30 p. m. Wednesday, July 30, at Behrend Center in Erie. Those who are driving are advised to turn off Route 20 at Station road in Westleyville and watch for the signs.

All attending are asked to bring a tureen and table service, the coffee to be served by the committee. There will be supervised recreation and swimming and a very pleasant outing is anticipated.

### VFW AUXILIARY

The regular meeting of Dinamo-Schwing Auxiliary, VFW, will be held at 8:00 p. m. Thursday in the post rooms. A large turnout is asked, since reports will be given from the 33rd encampment of the Pennsylvania VFW Auxiliary held at Pittsburgh's William Penn Hotel last week.

Plans will also be made at this session for a picnic. After the business meeting, a program will be presented under the direction of Orpha Peck and Marie Belton and refreshments will be served by Mary Anderson and her committee.

### SALEM WSWS MEETING

All members and friends of Salem Evangelical United Brethren WSWS are invited to attend the regular meeting to be held in the church parlors at 7:45 p. m. Thursday. Mrs. Francis Fehman will be in charge of devotions; hostesses will be Mrs. Minnie Olson and Mrs. Fred Rosentrater.

### ANDERSON REUNION

The 15th annual reunion of the Anderson family was held at Canadota Lake, with 90 in attendance from Warren, Erie, Corry, Jamestown and Gerry, N. Y. Officers elected were Carl Hagstrom, president; Raymond Anderson, vice president; Harry Anderson, treasurer; Sigrid Johnson, secretary. It was voted to hold the next reunion at Island Park in Youngsville on the third Sunday in July, 1953.

### BREAKFAST CANCELED

Archibald Class members of First Lutheran church are reminded their breakfast-outing, scheduled for next Sunday morning at the Warr-Penn, has been canceled.

Saudi Arabia has more than half a million square miles, mostly desert.

### OBITUARIES

**FRED S. BORCHERS**  
Fred S. Borchers, 71, former resident of Warren, died suddenly at a home at Dover, near York, Tuesday. Mr. Borchers was a son of Capt. and Mrs. L. S. Borchers and spent much of his life in Warren before going to Washington, D. C., where he had been employed in a federal position. He survived by his wife Effie M., a nephew Myron Messner, of Tulsa, Okla., who is driving to Warren for the graveside commitment which will take place in Oakwood cemetery at eleven o'clock Friday morning following the arrival of the funeral party from New York. Services are being held tomorrow at the George H. Mieg Funeral Home in York, with Rev. Thomas Dixon, former pastor of the First Presbyterian church in this city, officiating.

**MRS. HARRIET FORSBERG**  
Mrs. Harriett Forsberg, 13 West Main street, Falconer, died at 3:00 p. m. Tuesday in WCA Hospital in Jamestown. She was the widow of Anton Forsberg, who died in 1925. A former resident of Jamestown and Scandia, she had made her home in Falconer the past six years. She had a host of friends and was beloved by all for her cheerful and friendly disposition and Christian way of life. She was a member of the Zion Mission church of Jamestown. Surviving her are the following children: Mrs. Jacob Anderson and Gilbert Forsberg, Falconer; C. R. Forsberg and Mrs. Anton Hammer, Whittier, Calif.; Evans Forsberg, Rochester, N. Y.; Mrs. Lloyd Smith, Warren; also four grandchildren.

Friends are being received at the Falconer Funeral Home and services will be held there at 3:00 p. m. Friday. Interment will follow in Pine Hill cemetery, Falconer.

**CHARLES WADE ROGERS**  
Charles Wade Rogers, 81, died suddenly at the home of his son Arthur, 803 South Main street, Sheffield, last evening about ten o'clock. According to a report made to the coroner's office Mr. Rogers had been sitting on the porch when he entered the house for a drink of water, and slumped over. He was dead when a physician who was called, arrived. He had been ailing for about four years.

### Joycees' Gift to Public In Appreciation

(From Page One)  
this morning, made the date definite and said the band would arrive here for the evening meal, Thursday, August 21, departing after breakfast the morning of Saturday, August 23, for New York where it will take a prominent part in the festivities incident to the national American Legion convention.

With the local State Army long unused and with no hot water available, arrangements have been made with Dan Walton, general secretary of the YMCA, to house the band there in the gymnasium and in other sections of the building. Cots have been made available by Warren County Council, Boy Scouts of America, and the bandmen will have their meals at six different restaurants.

General Paxton and Lt. Col. Mandeville have each expressed particular pleasure in having the Dixie Band play in Warren because two local young men, Nick Geracimos, son of Mr. and Mrs. Gust Geracimos, and Ed. Wood, son of Mr. and Mrs. Frank A. Wood, are members of the band. In a previous letter General Paxton said "both of these men are excellent musicians and have contributed to a marked degree to the success of this well-known musical organization."

### Birth Record

**At Maternity**  
Mr. and Mrs. Peter Chruszcz, Clarendon RD 1, a daughter, July 23.

**In Bradford**  
Mr. and Mrs. Robert Hungville, of Rixford, announce the birth of a daughter Tuesday morning, July 15, in the Bradford Hospital. The baby weighed six pounds and one ounce and has been given the name Jean Evan. Mrs. Hungville is the former Doris Evan of Warren.

### GENEVA COLLEGE TO GET NEW TRUSTEES

Beaver Falls (P)—Robert Wilcox, Pittsburgh, and W. Scott Bliss, Beaver, will begin serving three-year terms on Geneva College's board of trustees at the regular meeting tomorrow.

Wilcox succeeds Dr. L. D. Smith, Beaver Falls, as alumni member, and Bliss succeeds his father, W. A. Bliss, as Beaver County member.

### GERI SIGNS

Pittsburgh (P)—Halfback Joe Geri has signed a 1952 contract with the Pittsburgh Steelers of the National Football League. He will report for training Sunday at the Olean, N. Y., camp.

### ADMINISTRATION NOTICE

Letters of Administration on the Estate of George L. Kline, late of the Borough of Warren, Warren County, Pa., deceased, having been this day granted to the undersigned, notice is hereby given to all persons indebted to said Estate to make immediate payment, and those having claims or demands against the same will present them to the undersigned, properly authenticated for settlement.

WARREN NATIONAL BANK,  
Warren, Pennsylvania.  
Harold S. Hampson, Attorney.  
July 15, 1952.  
July 16-23-30, Aug. 6-13-20-27

ACCEPTED INTO THE ARMED FORCES today at Harrisburg are the three young men above. Carl Bengtson of 103 West street, left, Charles Church of 532 Crescent Park, and David M. Brown of 405 Poplar street, who left by Pullman at 9:05 p. m. Tuesday. In the other picture are Mrs. Dorothy Engstrom and seven of the Kordion Kids who were on hand to give the three boys a send-off at the Pennsylvania station. Top row, left to right: Robert Engstrom, Mrs. Engstrom, Donald Koebley and Edwin Johnson. Bottom row, left to right, Sonia Stover, Pat Steele, Carol Hamblin and Barbara Stockdill. The youngsters put on a nice program for the new G's.

### EIGHT CREWMEN DIE AS PLANE CRASHES

Topeka, Kan. (P)—An Air Force B-29 crashed in flames shortly after taking off yesterday, killing all eight crewmen.

The four-engine craft plunged to earth on a farm about 10 miles southeast of Topeka. It had taken off on a routine flight.

Witnesses said one engine was afire just after the plane left the base. The plane banked sharply, apparently attempting to return to the field, then crashed and burned.

Names of the crew members will be released after notification of next of kin.

### WRIGHTSVILLE

Wrightsville—A large crowd attended the ice cream social held on the A. E. Sutter lawn, when about \$32 was cleared for the church fund. Mr. and Mrs. Kenneth Stowell, newlyweds, were surprised with a shower party at the close of the social. This portion of the program was sponsored by the church Aid Society and resulted in many beautiful gifts for the couple.

Julia Ann, small daughter of Mr. and Mrs. Kenneth Durlin, is a patient at the General Hospital, at Jamestown, N. Y.

Mr. and Mrs. Vernon Smith and son, Vernon, his family, of Sharon, spent the weekend with Mr. and Mrs. Luther Johnson.

### MANY COUNTRIES TO ENTER ART EXHIBIT

Pittsburgh (P)—About 300 paintings from 23 countries will be entered in the 1952 Pittsburgh International Art Exhibition at Carnegie Institute October 16 to December 14.

The exhibit will reflect America's trend toward abstraction as well as the latest schools of thought in Europe. Japan will enter about 15 paintings.

## Former Boxers Will Be Seen In the Main Bout of Kiwanis Club Benefit Thursday Night

When the Kiwanis Club presents its first big professional wrestling exhibition at War Memorial Field Wednesday evening, under the lights, as a benefit for the underprivileged children's fund, local sports-lovers will see some of the best talent obtainable in the Buffalo, Washington and Cleveland areas.

Phil Muscato, who will be seen in the opener, is a heavy-weight boxer of no mean ability. He is a particularly vicious mat artist, one who would gladly take

PHIL MUSCATO  
195 Pounds  
Buffalo, N. Y.

LEONARD MAZERBO  
225 Pounds  
New York

advantage of an opponent foolish enough to turn his back. Phil broke his hand in two places a few months ago, while engaged in one of the most strenuous bouts of his career, with another equally as tough, a groaner known as "Oregon Assassin." More recently he suffered three broken ribs when he dove at an opponent, missed and hit the ring post. Frankie Rich, who will oppose him also started his professional career as a fighter. He has 32 straight wins to his credit to date, is an exponent of the flying scissors hold, something new to wrestling. Quite frequently

depends on tricks more than brawn to pin his opponent. He had his back broken a few years ago, and in spite of the fact that doctors told him he never would wrestle again, he made a great comeback and has been meeting and defeating most of the top men in his class.

The preliminary will start at 8:00 o'clock, at War Memorial Field. There will be three bouts, and there is a possibility that Teddy Thomas, colorful referee who has been seen on TV from the Buffalo station every week, will be present to handle the main go.

## PHILLIES BEAT BUCS IN TWI-NIGHT GAMES

Philadelphia (AP)—The Philadelphia Phillies easily beat the Pittsburgh Pirates 14-4 and 8-1 in a two-night doubleheader yesterday.

Del Ennis hit a homer and two doubles to pace the Phils to their first-game win. They scored 11

runs in the first three innings off rookie Calvin Hogue.

A six-run outburst in the fifth inning was more than enough for the Phils' second game triumph.

Tea made from the leaves of Bonaset, a wild flower, was the standard home remedy for colds and fevers in New England up to a century ago.

## Through The Wind Tunnel

It's probably inevitable. With announcement today that the famous 31st Infantry Division Dixie Band will be in Warren late in August, those North and South caps will again be in evidence. Get out your brush, Harrison!

Boston and Juliano looked mighty, mighty lonesome last night, all alone at the old familiar long table.

Mutt Moore and his charming wife took off this morning, with their mothers in the rear seat, for a visit to North Bay. They're going to bring back some information about a little lodge, "way back in the wilds, where the 'table' is reported to be well worth the long trip from Warren, 425 miles.

Upon special request of the Youngsville boys' softball team, the Sunray Products ladies consented to give them a practice game last night.

The girls were the only unbeaten team in the state until last Sunday when they bowed to the Erie Ararats, 19-2, so beware, fellows!

Next week they will meet a Titusville team and have future contests lined up with the Erie Skippers and a return game here with the Ararats for some Saturday evening.

These Erie teams are really big stuff, playing against teams from Cleveland, Buffalo and Pittsburgh.

Lois Hulings sends us greetings from Alabama and says she is still feeling "chirpy."

## Bethel Climbs Back On Victory Wagon By Defeating Grace

A four-run seventh inning rally gave Bethel EUB a 6-2 triumph over Grace Methodist in a Y-Church loop fray at Beaty Field last night and pulled the team back on the victory wagon after three consecutive losses.

The win also has Bethel breathing on the necks of the Phalanx and First Methodist teams, now tied for first place. This tie, however, will be broken tonight when the two teams meet in a make-up game.

Norm Sorenson gave up 19 hits while winning for Bethel, and Erv Rader, credited with the loss, allowed almost as many with 18.

Big stickers in the game for Bethel were N. Sorenson, Oscar Sherwood and Paul Gray, each with three safeties in five trips, and Evan and Smith both had three for four for the Grace.

## What'll You Have?

## Thrilling Action In Tuesday Baseball Is Talk of Fans Today

By JOE REICHLER

Baseball fans looked back to last night's thrill-packed action and cracked, "What, no no-hitter?"

That's about the only thing that didn't occur in the major leagues. And, that, too, came within one pitch of being accomplished.

The star (or is it victim?) of that pitching feat was Virgil Trucks, already the author of the American League's sole no-hitter of the 1952 season. The Detroit Tiger right-hander gave up just one hit, a single by Eddie Yost, in hurling the Tigers to a 1-0 victory over the Washington Senators. Yost's hit came on Trucks' first pitch of the game.

Other highlights included: The New York Yankees swept a doubleheader from the vanishing Indians in Cleveland, 7-3 and 8-1, to increase their first-place margin over Boston's Red Sox to five games. The Yanks got 30 hits in the two games.

Bobby Shantz continued on his way to his 30-victory goal, pitching the Philadelphia Athletics to a 3-2 win over the St. Louis Browns. Shantz yielded eight blows for his 17th triumph against three losses. Billy Hitchcock drove in the winning run in the ninth.

Dave Koslo registered his fifth straight success over the St. Louis Cardinals this season, his 12th in a row over them in three years as the New York Giants earned a 3-2 triumph on Hank Thompson's two-run homer in the sixth.

Brooklyn's Dodgers met a four-run 10th inning by Cincinnati with a five-run outburst of their own to nip the Reds, 7-6, and retain their 7½-game bulge over the Giants in the National League race. Ken Raffensberger, third cinch pitcher of the inning, hit Ruben Walker with a pitched ball to force over the winning run.

Vern Bickford and the Boston Braves spotted the Chicago Cubs a 4-0 lead on Dee Fondy's grand slam homer and roared back to win, 6-4.

The Philadelphia Phils climbed to the .500 mark with a double win over Pittsburgh, 14-4 and 8-1. Rookie Dick Gernert rapped a two-run homer in the 13th to give Boston a 4-2 triumph over the Chicago White Sox.

## Curt Stone Beaten By Russian Entry

Helsinki (AP)—Curt Stone, one-time Penn State track great, has been eliminated from the 5,000-meter run at the Olympic Games here.

Stone finished eighth in the third heat which was won by Alexander Anoufiev of Russia yesterday in 14:23.6. Stone was timed in 14:42.8. On Sunday, Curt, running under the colors of the New York AC, finished 20th in the 10,000 meters.

## LAST NIGHT'S FIGHTS

Los Angeles—Carlos Chavez, 135½, Los Angeles, and Gerald Labrot, 137½, Gary, Ind., drew, 10.  
Miami Beach, Fla.—Danny Nardico, 178, Tampa, knocked out Bernie Reynolds, 188½, Fairfield, Conn., 2.  
Newark, N. J.—Johnny Williams, 196, London, stopped Jimmy Rousse, 188, Albany, N. Y., 8.

## August Busy Month At Playgrounds As Events Are Booked

The month of August is going to be a big time in the Warren playgrounds, especially in the sports line, with all kinds of tournaments scheduled for both individual and team participation.

Following is the schedule:

4-5: Rope Skipping Contest at Crescent Playground; Croquet Finals at Memorial Field, both at 10:30 a. m.

6-7: Hop Scotch Tournament at Crescent Playground, 10:30 a. m.

11-12-13: Foul Shooting Contest at West Side Playground; Horse Shoe Tournament at Crescent Playground; and Paddle Tennis Finals at Lacy Playground, all at 10:30 a. m.

13-14-15: Zell Ball Finals at West Side Playground; Checker Finals at Home Street Playground; and Shuffle Board at Crescent Playground, all at 10:30 a. m.; Volleyball Finals at Beaty Playground, 6:30 p. m.

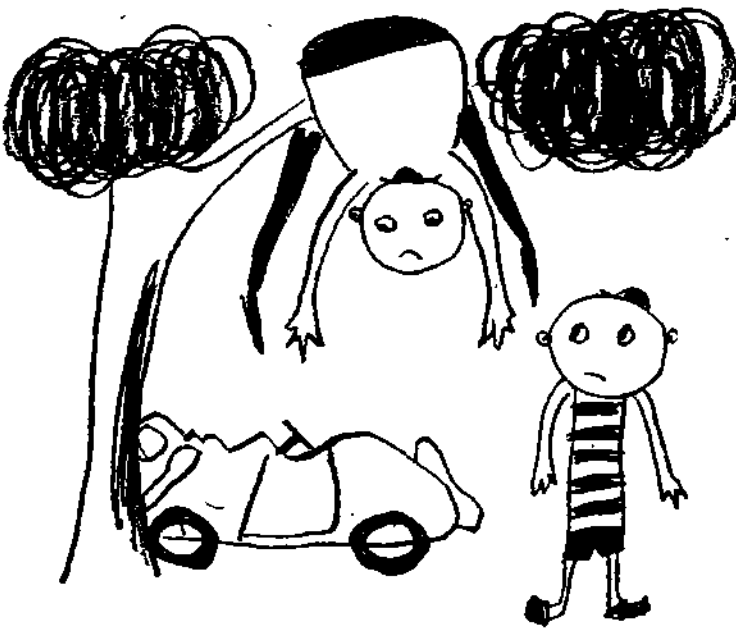

14-15-18: Badminton Finals at Crescent Playground, 10:30 a. m.

18-19-20: Basketball Finals at Beaty Playground, 6:30 p. m., and Softball Leagues at Beaty Playground, 2:30 p. m.

Daniel Decatur Emmett, a minstrel, wrote "Dixie" in 1859 for Bryant's Minstrels, of which show he was a member.

## Veterans of Korean Conflict Are Aided By Law Just Signed

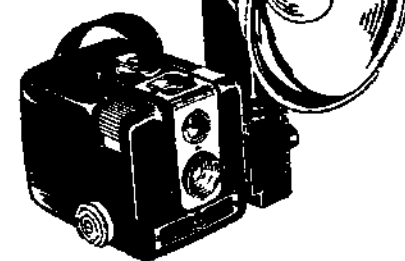

According to a release received in the office of Joseph D. Benson, director of veterans affairs for Warren county, a new GI Bill for veterans who have served in the armed forces any place in the world since the start of the Korean conflict in June, 1950, has been signed into law by President Truman.

The new law provides five benefits, including education and training, guaranteed loans for homes, farms and businesses, unemployment compensation mustering out pay, and job finding help.

Veterans will be allowed one and one-half days training for each day in service up to a maximum of 36 months. Veterans who have previously trained under earlier laws may get up to 48 months.

Snap Your Week-end Fun With The

Warren, Pa.

less whatever time already spent in training.  
Training may be done in school or college on the job, or on the farm, so long as the training establishment has been approved. Only one change of course program is allowed, except under special conditions.

Vets in the GI training will receive an allowance each month to meet part of their costs. Tuition, fees, books, supplies and equipment must be paid out of the allowance. Rates for schools and colleges are \$110 per month, if no dependents; \$125 with one dependent, and \$160 if more than one dependent. Top amounts for on the job trainees will be \$70 with no dependents, \$85 with one dependent, and \$105 with more than one. Maximums for the farm trainees are \$95, \$110, and \$130 respectively.

Although the new law is now in effect, no training allowances may be paid prior to August 20.

The loan provisions of the new GI Bill are similar to the program in effect for World War II veterans. Amounts guaranteed are the same for both groups.

The new GI Bill unemployment compensation program provides unemployed post-Korean veterans with payments of \$26 a week up to a total of 26 weeks. The top amount is \$676. This program takes effect 90 days from now.

Important deadline dates which should be kept in mind are as follows: education and training must be started by August 20, 1954, or two years after release from active duty; loans may be granted up to 10 years after the present emergency comes to an end; the deadline for unemployment compensation under the new law will be five years after the end of the emergency period.

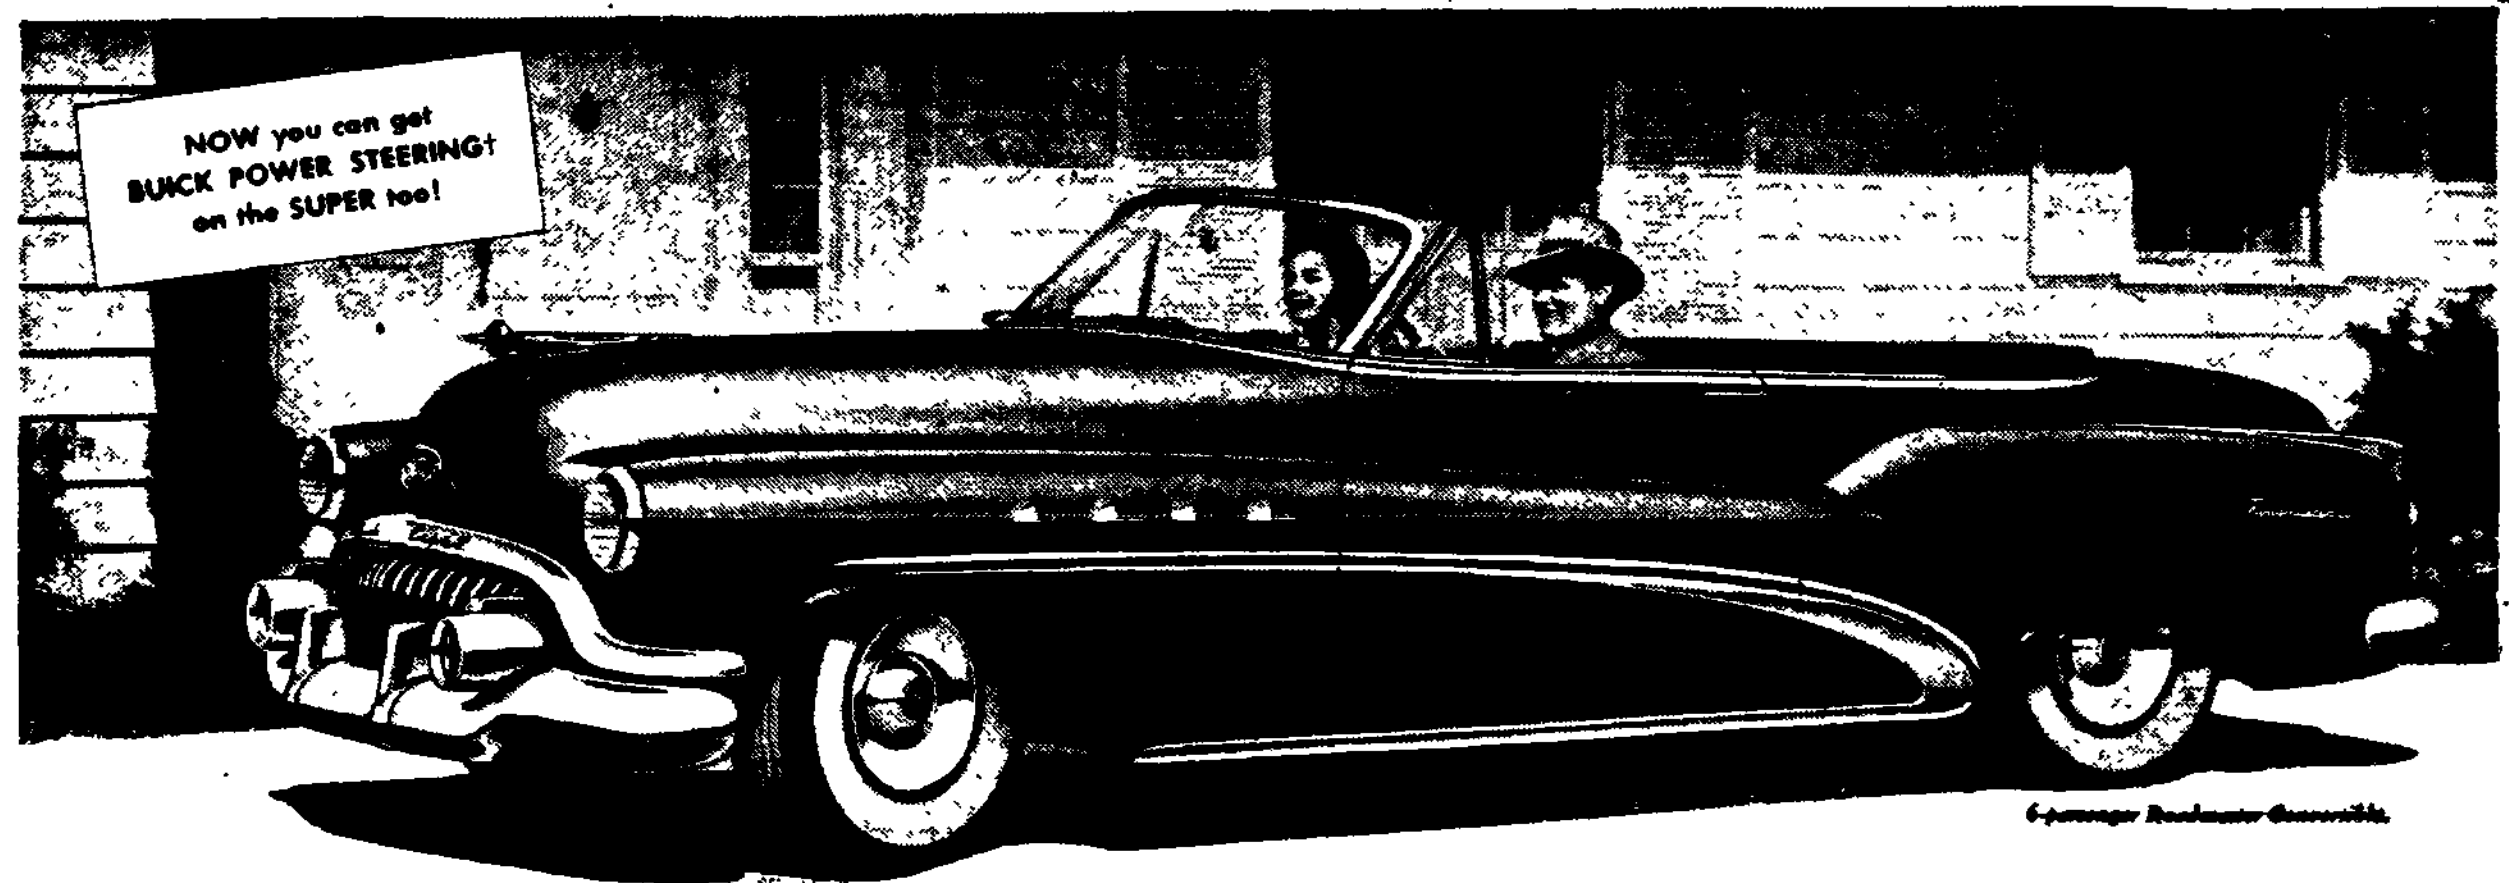

Veterans who wish to go into further detail concerning the provisions of the new law may do so by contacting Mr. Benson in his office on the first floor at the rear of the Court House.

### The Post Office Bulletin Board

Items of public and staff interest from the Warren Post Office

Insured parcels to Great Britain and some other countries must be explicitly declared to escape seizure by postal authorities there. It is not sufficient that customs declarations bear simply the words "coat" or "stockings", but the material of which the articles are composed must be shown, as "fur coat", "nylon stockings", etc. In the case of parcels containing more than one article or articles of different kinds the exact quantity and value of each kind of article must be shown. So, when mailing parcels abroad please do not be annoyed by the many questions asked by the clerks. They are simply trying to prevent delay or possible loss. There is no indemnity for improperly declared articles.

Apparently many people did not realize that "postage-dues" paid

## It saves your strength - and it might save your life

CAN you imagine parking a car as easily as you steer it on a straightaway?

You twirl the steering wheel with one hand—turn the front wheels until you get the last inch of advantage from Buick's short "turning radius"—spot the car in a tight spot at the curb—or swing out when the car parked in front of you seems impossibly close.

For this alone a lot of people—women especially—are saying that Buick's Power Steering is the biggest advance since Dynaflo Drive.\*

But you're going to find out something more as you pile up the miles.

You're going to feel the same confident and thrilling sense of command you have always felt in a Buick, because Power Steering only

goes into action when extra effort is needed to turn the wheels.

You're going to find that your front wheels track just as they always have—that they automatically swing back on course, after you've made a turn, when you ease your grip on the steering wheel.

You're also going to find that Power Steering takes over when your front wheels hit loose dirt or sand—road irregularities and chuck-holes—and smooths down their jerk or tug on the wheel in your hands.

All this adds to the ease and pleasure of driving. But it adds to the safety, too, because, in the rare event of a blowout, Power Steering helps you keep control. There's no sudden and violent jerk ever when this helping hand's on the job.

Add to this the level-gaited serenity of Buick's Million Dollar Ride—the "rarin' to go" exuberance of its Fireball 8 Engine—the spread-out room, the luxurious fabrics—the way this great performer can turn up its nose at gas stations—and there's only one smart thing for you to do:

Drop in—or pick up your phone—and arrange to give this marvel a tryout. Even the price says, Better buy Buick now.

Equipment, accessories, trim and models are subject to change without notice. \*Standard on Roadmaster, optional at extra cost on other Series. †Now available on Super as well as Roadmaster—optional at extra cost.

Sure is true for '52

by a carrier comes right out of his pocket. When a letter is left in your box with a postage-due stamp affixed it is just another case of extra accommodation and kindness on the part of your carrier. He should be reimbursed promptly.

One of our "old-timers" who has been carrying the mail longer than he likes to admit, estimates that over the years he has contributed in the hundreds of dollars in postage-dues uncollected from his patrons.

The annual Post Office fishing expedition to Lake Erie last Saturday, was well attended, some 35 making the trip. Fishing was poor but all had a good time, all that is except a couple of old "tars" who had been on dry land too long. They got things reversed, someone and fed the fishes.

In spite of constant publicity and warnings we still find people mailing money without registration. Our "dead-letter" clerk frequently comes across a mis-addressed envelope containing bills or coins intended, almost always, for someone in real need. It all goes to help out on the postal deficit of course, but WHY, WHY take such chances when registry, or money orders are so cheap?

The stamp vending machine in our lobby is VERY sensitive. Deceptive coins will be rejected or, sometimes, "jam" the machine. So please use perfect coins. And DON'T pull on the stamps as they are ejected. This may also "jam" the machine. Parents will please prevent their children from attempting to inject foreign particles, chewing gum etc. in the machine. Women are also reminded

that, whereas a hairpin will fix most anything, it will not work in the stamp machine.

## HELL'S HORSEMAN

BY WILLIAM HOPSON

Chapter Nine  
"All right, Mr. Forrest," Austin replied. "You're the boss. I ain't quittin' King just yet—not till I tell him to his face that he's a cow thief who ought not to be alive with a daughter like Belle. So I'll do my best to get that herd through to the ranch with the men I've got; but it's only fair to warn you they're not gun hands. All the tough-cases slipped out when you bought in. The ones left—seven all told—are mostly old-timers who can't hold down a hard job any more. But if Edmonds here says he can stop Ramson, then I'll bank on it. If that herd can get through them forty odd miles to the ranch, I'll get 'em through."

He paused and looked at Montana. "Only one thing I don't like about this 'leavin' town with you stayin' here."

"If you mean Rundert," Montana said, "I'm avoiding trouble. I've no quarrel with him as long as he don't force one."

"I want Rundert on the stage with us," Forrest said. "I don't believe he'll make trouble in the presence of the girls. And if he went with the herd Austin one of you two men wouldn't get there alive."

He wiped his lips with the handkerchief and put the stained cloth back into his breast pocket. "That's about the worst one I ever had," he managed to smile. "Been about two weeks since the last bad one. They're getting worse all the time. . . . But thank God I won't have many more of them," he finished.

WHEN he was able to talk again back to the hotel. The Texan left them in the lobby and mounted his horse to return to the herd to start the forty-mile drive. The girls were all ready upstairs and Forrest's arm over his neck. Montana helped the older man up the stairs to his room and got him into bed. The Easterner lay on his back, white sheets tucked under his chin, his face still drawn from the deal.

Then he asked a question. "Edmonds, do you know King Ramson?"

Montana shook his head his face turning story. "Only by name."

"I did."

"I believe you can. But I'm worried very much."

"This man who calls himself King Ramson is my father, Mr. Forrest," Montana replied, moving over and sitting down on the bed. "His real name is Jim Thornton. My real name is Brand Edmonds—after my mother's family—Thornton. Last fall, I came in to kill him I got as far as Buckner's Crossing and ran into some of Black Jack Caswell's men. We shot it out there and Ben Carson got me away. I was—"

"Then you are this notorious—this legendary man they call Montana?"

Montana nodded. "That's what they call me, Mr. Forrest. Montana I'm the man Black Jack Caswell has sworn to get for that fight at Buckner's."

"And that's how you're going to stop him?" he asked.

"That was my intention," was the low reply. "But something happened on the train. I saw a woman of the kind of woman I think I've always wanted as a sister. Belle Ramson. No," he went on, "I can't throw a gun on this man now. But I've promised you I'd stop him and I think I can keep that promise. Anyhow, that's the story. He seems to have married again. What happened to the woman who is Belle's mother?"

Chapter 10  
MONTANA found him at two o'clock that afternoon.

He closed the door behind him and went down the hallway again, knocking gently at a number. The door opened slightly and Belle Ramson's face looked through. She was fully dressed.

"What do you want?" she said coolly.

With his next words a little gasp came from her and it opened wide. She stepped out into the hallway and closed the door behind her.

"Who did it?" she demanded breathlessly, coming with him toward Forrest's room.

He told her of the coughing attack in the saloon as they moved along the thin, worn carpeting. That was all he told her. He wanted only to see that they got safely to the ranch without any trouble. For despite her obvious coolness toward him, he had the feeling that if he couldn't stop King Ramson by revealing his identity, then Belle could.

In the room Belle stood looking down at Helen Forrest's father. She didn't cry out or make a scene. She was too strong for that.

cattle outfit and Rundert seemed to have switched accordingly. They stayed in town three days after the burial, because Helen Forrest wanted to stay. But early on the morning of the fourth day, when Montana came from the lean-to restaurant against the hotel, wheels clattered and the stage from the ranch rolled around from he livery stable with the man Orndorff up on the driver's seat.

Belle and Helen Forrest came out ready for travel. Montana looked at the latter and new respect for her rose within him. Out of the ordeal had come a woman still aristocratic, still beautiful, but a stronger woman who realized her responsibility.

Rundert came up. He had been drinking a little too heavily. But his clothes were neatly pressed and once again he was the self-styled gallant Westerner and a big hand with the ladies.

"You're looking pretty good this morning, Helen," he grinned, defying his hat and at the same time brushing at the flowing locks of his hair. "One thing I'll say for you: you come through in a way that'll make you dad proud. I'm glad I had the pleasure of meeting him before he cashed in."

"Thank you," Helen answered in a low, sweet voice.

It was then that Montana stepped forward and removed his hat. "Miss Forrest?"

The cool grey eyes looked at him. "Well?" she inquired.

"I'm going down the line a ways. I'd like to ride in with you say—to Buckner's Crossing."

"You don't talk like a cow-puncher," Belle said. "And you certainly don't throw a gun like one. Why would you be going on to Buckner's? That sneaking squawman a friend of yours?"

He shrugged, and there was a coldness in his attitude that brooked no further questioning concerning his personal affairs. It infuriated Rundert.

"Hold on, fellow. That coach belongs to the ranch and if you've got any ideas—"

Helen Forrest cut in then, as coolly and as imperiously as Belle herself could have done. "That is

quite correct, Mr. Rundert. The coach does belong to the ranch. And to Montana. 'Did my father offer you a job?'"

"He did."

### Spring Creek May Still Join Jointure

Corry—Spring Creek school directors, still straddling the fence on the issue of complete jointure with the other five districts in the Corry area, through Board President William Wodarsky, has indicated they still may jump onto the full jointure side.

At a taxpayers' meeting held there last week public opinion was almost evenly divided with the vote being 24 to 20 against the jointure which would include grades 1-6 as well as 7-12.

Wodarsky told members of the Joint Committee in their regular meeting that the Spring Creek board will meet again on August 4 and may decide at that time to become a part of the jointure.

Appointments to the Authority which will handle financing of the new Joint Junior-Senior High School were completed last night with the membership being made up of the following: Columbus—Walter Deutschlander; Concord Township—Howard Hammond; Corry—Charles Bracken, L. E. Graham, Robert Ott Sr. and Dallas Smiley; Elgin—Ray Burrows; Spring Creek—Bernard Porter; and Wayne Township, Harold Howard.

The U. S. Department of Agriculture has planned a healthful low income diet which includes only 39 pounds of meat annually per person.

### Men in Service
